

Cha Cha

No matter how cold it is outside, on the dance floor, it's hot Latin music. The Cha Cha is a fun, flirty dance. The step consists of triple steps (cha cha cha's) and rock steps. The energy of this dance will get your heart pumping but with a smile on your face.

The distinctive and the soulful rhythm of Carlos Santana's legendary guitar will get your hips moving with that classic "cha-cha-cha" as will the traditional *Cha-Con-Cha* by Tito Puente. Don't be surprised to hear the cha cha rhythm in a ton of American rock and roll music, including songs like *Mustang Sally* by Los Lobos, *Ain't it Funny* by Jennifer Lopez and *Uptown Funk* by Mark Ronson.
