

## Two-Step

This classic country dance has many versions across the country. Our version has a slow, quick, quick rhythm and when sped up can change to a polka. The 2-Step travels around the floor in a counter-clockwise direction to slow, medium or fast music making it a versatile dance.

Whether you like old country or new, you'll have a lot of songs to choose from. The versatility of this dance is the speed that you can dance - ranging from great slow Two-Steps like *Home* by Blake Shelton to more the upbeat sound of *Don't Rock the Juke Box* by Alan Jackson and the faster songs like *Sold* by John Michael Montgomery.
